

# Market your wines directly to consumers for \$1 per day.

AWESOMME, the most relevant wine-finding service for consumers, directly addresses the wine consumer challenge of:

**“I don’t know what wine to buy.”**

Wine Producers can feature their wines on AWESOMME **for as little as \$1 per day\***

With winery marketing budgets constantly under pressure, where else can a wine producer get exposure **24/7 x 365 days per year for only \$365?**

\*Price excludes any sales tax e.g. GST.

**Embrace the future and market directly to consumers in the most cost-efficient way possible.**
